

PETERBOROUGH FIELD NATURALISTS

Report of the Nominating Committee Annual General Meeting March 10, 2022

According to the Bylaws, The Board of the Peterborough Field Naturalists is to consist of twelve directors. There is one vacancy outstanding. Three other members; Phil Shaw, Marilyn Hubley, and Reem Ali, have reached the end of a three-year term.

Phil and Marilyn and Reem have all agreed to stand for another three-year term.

We have one new candidate for the Board.

Daniel Cadieux: Daniel recently moved to the Peterborough area and joined the PFN. He has a passionate interest in the natural world and a master's degree in environmental studies. His research was on the topic of the consumption of plant-assimilated carbon by human activity in a given area. Daniel is bilingual in French and English and will bring advanced computer skills to the Board.

The following Board members are fulfilling an existing term:

Third Year of a 3-year Term: Martin Parker, Cathy Douglas, Ted Vale, and Steve Paul

Second Year of a 3-year Term: Rene Gareau, Sue Paradisis, Anda Rungis, and Fiona MacKay

The Nominating Committee proposes the following persons for a three-year term on the Board of Directors:

- Daniel Cadieux
- Phil Shaw
- Marilyn Hubley
- Reem Ali

Respectfully Submitted,

Ted Vale
Chair, Nominating Committee
